

Results – 2012

Congratulations to everyone who was involved in **The VITTA Video Challenge – 2012**.

This year we had 30 registrations from Victoria, NSW & Western Australia but only 17 actual submissions.

Unfortunately a number of submissions were not short listed for judging because they either:

- didn't include a map (we relaxed on the requirement that a map was in most scenes)
- didn't use the phrase 'Start here go anywhere'
- used commercial music
- contained offensive language

The Junior Secondary category was most affected with only one entry being eligible for a prize.

The winners for The VITTA Video Challenge – 2012 are

Primary

- 1st place – **Strathcona BGGS** with 'Start Here Go Anywhere'
equal 2nd place – **Nth Ringwood Primary** with 'It's Never too late to make a change'
equal 2nd place – **Doreen Primary** with 'Doreen Grows Up'
3rd place - **St Francis of Assisi** with 'Our Map of the Future'

Junior Secondary

- 1st place - **McCarthy Catholic College** with 'Start Here Go Anywhere'

Senior Secondary
