

Throughout 2017, Adobe Education is offering free, face-to-face professional learning opportunities for Queensland educators.

The aim is to help teachers make the most of Adobe Creative Cloud and associated software in the learning and teaching process.

Brisbane - Tuesday Feb 28 (2PM to 6.30PM) Brigidine College, 53 Ward St, Indooroopilly

Sunshine Coast - Wednesday April 26 (2PM to 6.30PM)
Venue TBA)

Gold Coast - Tuesday May 30 (2PM to 6.30PM) Merrimac State High School, Dunlop Ct, Mermaid Waters

More information & registration via - <http://bit.ly/adobeQLD17>

These sessions are hosted by Dr Tim Kitchen, Adobe's Senior Education Specialist for Asia Pacific and relate to the following Australian Professional Standards for Teachers - Professional knowledge:

- *Know students and how they learn*
- *Know the content and how to teach it Professional Practice*
- *Plan for and implement effective teaching and learning Professional Engagement*
- *Engage in professional learning*
- *Engage professionally with colleagues and the community*
