

Adobe's Inject Creativity into the Curriculum roadshow event at **Strathcona**

34 Scott St, Canterbury

Wed March 5, 2020 - 4PM to 6.30PM

Hosted by
Dr Tim Kitchen

Tim is Adobe's Senior Education Specialist for the APAC region. He has about 30 years of teaching & education leadership experience in K12 & Higher Ed.

This free professional learning session from Adobe aims to demonstrate and workshop practical ways to inject creativity in a wide range of faculty areas. Ideal for any teacher wanting to enhance their digital literacy & creativity skills throughout the curriculum.

Register via - <http://bit.ly/adobe-inject19>

A range of the following Adobe Creative Cloud applications will be work-shopped and/or presented

- Photoshop (image manipulation for all subject areas)
- Premiere Pro (Video editing)
- Premiere Rush (Adobe's new multi-platform video editing app)
- Spark Post (digital posters in seconds)
- Spark Video (make simple video stories for any curriculum area)
- Spark Page (build & publish webpages or digital portfolios for assessment, presentation & demonstration)
- Adobe XD (Design Thinking & Prototyping app)
- Adobe Aero (Augmented Reality experiences)
- Adobe Fresco (The ultimate drawing tool for the iPad)
